OUR STORY

At BULL N' GOLD we are all about great time and unique experience!

WHAT IS BULL N' GOLD ALL ABOUT

BULL N' GOLD is based on strong values, including the importance of being an authentic bar & grill restaurant concept and the need to create a place for everyone, whatever your background is!

The idea behind BULL N' GOLD was to create a local hangout where everyone fits whether you are meeting up with friends, taking out the family, going out on a business meeting or simply wish to have some drinks after a hard and long day at work!

We have invested significant time and effort in order to create a cosy and beautiful place. The architecture of BULL N' GOLD and its interior design will certainly gain your attention the moment you step inside.

THE STORY BEHIND THE NAME

The bull is the symbol of determination and strength whereas gold symbolises durability and wisdom. So as you can imagine we mixed all the ingredients together and came up with the name BULL N' GOLD. We knew from the very beginning that this was the right name, in fact we fell in love with it instantly as we wanted to come up with something that characterises our passion for what we do, our dreams, our core values and attention to details.

OUR FOOD AND OTHER HIGHLIGHTS

And while our beyond delicious food is the highlight, the fun does not stop there. Diners can enjoy a huge selection of beers and cocktails, join our live music occasions, watch their favourite sports events, enjoy a nice cigar at our separate cigar room, smoke premium shisha at our hookah lounge and many many more!

We are located in the heart of Larnaca and our doors open everyday from early in the morning for coffee, brunch, lunch, dinner as well as for after work or late-night drinks, making us the ultimate destination.
